Treat symptomatically

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

## **DIRECTIONS FOR USE**

For ease of application, allow product to warm to room temperature. Insert tube into applicator. Squeeze out pea sized or smaller portions of paste and deposit behind and under stoves, ovens, refrigerators and freezers, dishwashers, sinks and openings around drains and plumbing, pantries, cabinets, cupboards, closets, washing machines and dryers, bedroom dressers and chests or drawers. Any paste visible after application must be scraped into open cracks and crevices or removed. Reapply as necessary. Avoid contamination of feed of foodstuffs. Do not apply paste in areas accessible to children and pets.

**Use in Food Areas-Limited to Crack and Crevice Treatment Only:** (Including areas where food and feed is received, stored, prepared, served, packaged and handled and where edible waste is stored): Apply product only when food areas are not in operation. Insert tube into applicator. Squeeze out pea sized or smaller portions of paste directly into cracks and crevices, where equipment meets the floor and walls; equipment and counter legs, bases, motors and conduits, under booths, tables and chairs; holes and openings leading to wall voids where insects may hide. Cover or remove all food commodities; before treatment. Wash all food contact areas with potable water after treatment and before reuse.

**Use in Non-Food Areas:** (Including garbage rooms, rest rooms, laboratories, offices, locker rooms, boiler and equipment rooms, garages, mop closets, and storage): Apply around water and drain pipes, underneath and behind sinks, lockers, tables and similar areas where insects may hide.

**NOTE:** Food and feed handling and processing establishments include restaurants, dairies, packaging, bottling and canning plants bakeries, mills or anywhere food and feed is stored, prepared, processed and packaged.

## **DISPOSAL**

Do not reuse empty container. Follow provincial instructions for any required cleaning of the container prior to its disposal. Make container unsuitable for further use and dispose in accordance with provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.
