Gardex Chemicals Ltd.  
7 Meridian Rd., Etobicoke, ON M9W 4Z6 (416) 675-1638  
**1-800-561-7302**

**DIRECTIONS:** Shake well before using. Hold can upright, point nozzle away from persons and press valve.

**FOR USE IN:** Homes and dwellings.

**FLYING INSECTS:** For flies, mosquitos, indian meal moths, flour moths

and certain other flying insects close all doors and windows. Apply for 2 - 3 seconds per 100 cu. metres of space. Direct mist upwards to all parts of the room. Also, direct mist into areas where insects are present and into normal resting areas such as around windows, screens, light fixtures and other surfaces known to attract flies and other flying insects. Keep in constant motion at least 1 m from interior walls, fabrics and furniture whenever possible. Keep doors and windows closed for 15 minutes. Sweep and destroy dead insects. Ventilate the area after treatment is completed for a period of 3 to 4 hours before re-entering.

**CRAWLING INSECTS:** Cockroaches, silverfish, ants and spiders. Spray hiding places such as cracks and crevices, moist areas, openings around sinks and pipes, behind cabinets and storage areas. Spray ant trails around door sills, window frames and nests. Insects must be contacted to be killed.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.** Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate can or store at temperatures over 50 degrees Celsius. Do not spray in presence of open flame (including pilot lights) or spark or while smoking. Do not remain in treated areas. Do not spray food or utensils. Remove fish bowls, bird cages and animals before spraying. In homes and dwellings, remove or cover all exposed foods and cooking utensils before spraying. Do not use in nurseries or rooms where infants, ill or aged persons are confined. Avoid contact with skin, eyes, clothing and inhalation of spray mist. Wash hands after using.

**DISPOSAL:** When container is empty, press valve to release all remaining pressure. Wrap and discard empty container with household garbage.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

**FIRST AID:** If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If swallowed, call a poison control centre

or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.
