DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide which is registered under the Pest Control Product Act. Consult technical bulletin for manufacturing procedures.

PRECAUTIONS

KEEP OUT OF THE REACH OF CHILDREN. KEEP OUT OF THE REACH OF UNAUTHORIZED PERSONNEL.

May be fatal if swallowed or inhaled. May cause eye irritation. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Do not breathe vapor spray mist. In the case of cleanup following a spill, wear protective clothing and appropriate equipment to prevent exposure of skin and eyes and to prevent ingestion or inhalations.

This product is toxic to fish, birds and other wildlife. Keep out of any body of water.

FIRST AID:

IF SWALLOWED, Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF INHALED Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically. In the case of acute massive dose in humans, any of the following signs may be expected: headache, confusion, personality change, tremors, convulsive seizures, coma, marked respiratory distress, or death.

STORAGE:

Keep in original container during storage. Store product in cool, dry well ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire or open flame, or other sources of heat.

DECONTAMINATION AND DISPOSAL:

Canadian formulators using this manufacturing use concentrate should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on the disposal of unused, unwanted product, contact provincial regulatory agency or the manufacturer. Contact the manufacturer and the provincial regulatory agency in the case of a spill, and for clean-up of spills.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
