DIRECTIONS FOR USE

1. Initial dosage for pool water having no visible algae is 200mL of Algaecide 10 Formula 6 per 10 000 L of pool water.

2. Weekly maintenance dosage is 100mL per 10 000L.

3. For pool water having visible algae, superchlorinate following label instructions of superchlorination product employed and wait for at least 24 hours before adding weekly maintenance dosage.

4. For visible algae, when superchlorination is not employed, add 500mL of Algaecide 10 Formula 6 per 10 000 L.

DO NOT apply when swimmers are in the immediate vicinity (a 15-minute restricted-entry interval is recommended)

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Wear rubber gloves when handling this concentrate.

Do not mix with any other chemical. Avoid contact with

skin and eyes. DISPOSAL: Rinse container thoroughly before

discarding. Do not Reuse. For information on disposal of unused, unwanted products, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

FIRST AID

If on skin or clothing, Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes, Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If swallowed, Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an uncouncious person.

If inhaled, Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: treat symptomatically
