NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

FIRST AID

IN CASE OF POISONING, contact a physician or a poison control centre **IMMEDIATELY**. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed, call a poison control centre or doctor **IMMEDIATELY** for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing, take off contaminated clothing. Rinse skin **IMMEDIATELY** with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

PRECAUTIONS

1. Harmful if swallowed. Causes eye and severe skin irritation. Potential skin sensitizer. May be harmful if absorbed through the skin. Avoid contact with skin and clothing. Failure to follow the directions may cause a health hazard.
2. Use PVC gloves. Dispose of gloves if damaged or after use. Dispose of gloves immediately if contaminated on the inside. Wash hands thoroughly with soap and water before using a new pair of gloves.
3. Wear coveralls, boots and PVC (liquid proof) gloves and safety goggles when handling the concentrate, or when adjusting, servicing, or cleaning formulation equipment.
4. Wash thoroughly with soap and water after handling and before eating or smoking. Remove contaminated clothing and wash before re-use.

STORAGE

Do not contaminate water, food or feed by storage or disposal. Protect from freezing. Do not store near heat or open flame.

SPILL CLEANUP

For spillage on floors or paved or hard surface areas, soak up spill with soil or other absorbent material and shovel into waste container for disposal. Wash area with detergent and water, and then rinse. Dispose of absorbent and clean-up materials in an approved landfill site or by incineration. For spillage on soil, remove contaminated soil and dispose of in an approved landfill site. Do not discharge into lakes, ponds, streams or other water. Incinerate waste in permitted facility or dispose of in permitted hazardous waste landfill.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and cleanup of spills, contact the manufacturer and the provincial regulatory agency.

***IN CASE OF EMERGENCY INVOLVING A MAJOR SPILL, FIRE OR POISONING,
CALL 1-800-327-8633 (FASTMED)***

DIRECTIONS FOR USE

To be used only in the manufacture of herbicides registered under the *Pest Control Products Act*.
