NET CONTENTS 177g / CONTENU NET 177g

BUGWACKER INSECTICIDE: is designed for use in the Cam Spring Action Type Automatic Dispenser. The automatic dispenser releases a metered dose of 55mg of insecticide every 15 minutes. Each can contains enough product to protect an area of at least 170m<sup>3</sup> of free flow air space for up to 30 days. Not for use in meat packing plants.

DIRECTIONS: Remove protective cap from top of can and insert can into special automatic dispenser. Place dispenser 2-3 meters above floor at a point where air flow will carry insecticide throughout the area. Do not install directly over food or food packaging surfaces.

PRECAUTIONS: KEEP PUT OF REACH OF CHILDREN. CONTENTS UNDER PRESSURE. Container may explode if heated. Do not expose to temperatures above 50°C. Do not spray near open flame or spark. Do not puncture or incinerate. Do not contaminate food, feed or water. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and bird. Do not install directly over polished, plastic or varnished surfaces. Do not use in dwellings or schools.

FIRST AID: If sprayed in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If sprayed on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If accidentally swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

DISPOSAL: When container is empty, press valve to release all remaining pressure. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused; unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the manufacturer.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
