## **DIRECTIONS FOR USE**

### **PULP & PAPER MILLS**

For control of bacterial and fungal slime on pulp, paper, or paperboard machines, add X-CELL-414 Liquid Industrial Microbicide to the stock or white water going to the fan pump in amounts of 25 grams to 500 grams (25 mL to 500 mL) per metric tonne of pulp or paper produced. Addition can be made continuously or intermittently as required to control the slime. Use of a metering pump to feed the product directly from the shipping container is recommended.

## **PRECAUTIONS**

### **DANGER**

### **KEEP OUT OF REACH OF CHILDREN**

### **POTENTIAL SKIN SENSITIZER**

Corrosive. Causes eye damage and severe skin irritation.

Harmful or fatal if swallowed or absorbed through skin. Do not get in eyes, on skin, or on clothing. Avoid contamination of food. Wear a full-face NIOSH-approved respirator, chemical-resistant gloves, long pants, a long-sleeved shirt, shoes plus socks and a chemical-resistant apron during mixing/loading, clean-up and repair activities. Users should wash hands before eating, drinking, chewing gum, and when using tobacco or the toilet. Users should remove clothing/protective equipment immediately if this product comes in contact with the skin through soaked clothing or spills. Then, thoroughly wash the skin and put on clean clothing. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with the concentrate of this product. Do not re-use them.

## **FIRST AID**

**IF SWALLOWED**, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**IF IN EYES**, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

## **ENVIRONMENTAL HAZARDS**

This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using the product.

DO NOT apply in marine and/or estuarine oil fields. DO NOT reuse empty container.

## **STORAGE AND DISPOSAL PROHIBITIONS**

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

**PESTICIDE DISPOSAL**

Pesticide wastes are acutely hazardous. Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to federal or approved provincial procedures.

**DISPOSAL - SEMI-BULK CONTAINER:**

1) Close valve. 2) Arrange for return of semi-bulk container. 3) For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills. 4) For small spills, recover the free liquid. Soak up the residue with solids absorbent. Do not flush in streams. Inform the Provincial/Territorial Regulatory Agency as in 3.

**NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
