PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN

KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL

HARMFUL IF SWALLOWED, ABSORBED THROUGH THE SKIN, OR INHALED

Causes moderate eye, skin, nose and throat irritation. May cause allergic skin reaction in susceptible individuals. Avoid contact with skin, eyes, and clothing. Avoid breathing vapors or spray mist. Wash thoroughly with soap and water after handling and before eating or smoking.

PROTECTIVE CLOTHING AND EQUIPMENT

Wear mid-forearm-to elbow-length chemical-resistant gloves, boots or overshoes, one-piece overalls that have long sleeves and long pants, a chemical-resistant apron and face shield or goggles.

Any article of clothing worn while applying product must be cleaned before re-using. Clothing that has been drenched or heavily contaminated should be disposed of in accordance with Provincial or local regulations.

OPERATOR USE PRECAUTIONS

Do not use, pour, spill or store near heat or an open flame.

PHYSICAL OR CHEMICAL HAZARDS

Karathane Technical is a viscous liquid. DO NOT heat above 32°C. If heating is necessary for the ease of handling or pouring, DO NOT exceed 32°C and DO NOT hold at this temperature for more than 48 hours to avoid possible explosion decomposition. Heating should be done in well ventilated containers and heating rooms.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

TOXICOLOGICAL INFORMATION

No specific antidote. Employ supportive care. Treatment should be based on judgment of the physician in response to reactions of the patient.

For further information consult the Material Safety Data Sheet

AGRICULTURAL CHEMICAL

Do not ship or store with food, feeds, drugs or clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE

Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat. Do not store at temperatures above 32°C for periods longer than 48 hours.

DISPOSAL

Canadian formulators of this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

DIRECTIONS FOR USE

TO BE USED ONLY IN THE MANUFACTURING OF A PRODUCT WHICH IS REGISTERED UNDER THE PEST CONTROL PRODUCTS ACT. READ THE TECHNICAL BULLETIN FOR FORMULATION DETAILS.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
