**DIRECTIONS FOR USE**

To be used only in the manufacture of products which are registered under the *Pest Control Products Act*.

**PRECAUTIONS:** PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed. Avoid breathing vapours. Avoid contact with skin. Do not contaminate food or feedstuff with this product or finished sprays made from it.

**FIRST AID:** IF SWALLOWED, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. IF ON SKIN OR CLOTHING, take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control centre or doctor for treatment advice. IF INHALED, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. IF IN EYES, hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**DECONTAMINATION AND DISPOSAL:** Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**STORAGE:** Keep container closed. Mix well in drum before sampling and each use. This material solidifies at approximately 13°C. If received in cool weather, warm gently and agitate drum until all contents are liquid and uniform before use. Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.
