## **DIRECTIONS FOR USE**

To be used only in the manufacture of pesticides which are registered under the PEST CONTROL PRODUCTS ACT.

## **PRECAUTIONS**

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed, inhaled or absorbed through the skin. Wear protective clothing. Avoid contact with skin, eyes, and clothing. Wash thoroughly with soap and water after handling. Avoid contamination of feed and foodstuffs.

This product is toxic to fish. Do not contaminate lakes, streams or ponds by cleaning of equipment or disposal of wastes.

## **FIRST AID:**

**EYE CONTACT:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Obtain medical attention immediately if irritation persists.

**SKIN OR CLOTHING CONTACT:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**INHALATION:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control centre or doctor for treatment advice.

**INGESTION:** If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Contains petroleum distillate - vomiting may cause aspiration pneumonia. Treat Symptomatically.

## **STORAGE**

Keep in original container during storage. Store product in a cool, dry, well ventilated place away from water, food, feed, seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat. Avoid exposure to extreme temperatures.

## **DISPOSAL:**

Canadian formulators using this product should dispose of unwanted active ingredient

and containers in accordance with municipal or provincial regulations. For additional details and information on clean up of spills, contact the provincial regulatory agency or the manufacturer.

**EMERGENCY TELEPHONE NUMBER:**

In case of Medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers, information may be obtained by calling **1-888-740-8712**.

**Notice to User:** This control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
