FLYING INSECT KILLER METERED PRESSURIZED SPRAY is designed for use in Cam Spring Action Type Automatic dispenser. The automatic dispenser releases a metered dose of 55 mg of insecticide every 15 minutes. Each can contains enough product to protect an area of at least 170 of free flow air space, for up to 30 days.

DIRECTIONS: Remove the protective cap from the top of the can and insert can into special automatic dispenser. Place dispenser 2-3 metres above the floor at a point where air flow will carry the insecticide throughout the area. Do not install directly over food or food packing surfaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Container may explode if heated. Do not expose to temperatures above 50⁰ C. Do not spray near open flames or sparks. Do not puncture or incinerate. Do not contaminate food, feed, or water. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces. Do not use in dwellings, schools or meat packing plants. Do not use in the presence of an open flame or spark.

FIRST AID: In case of contact with eyes or skin, wash with water. If irritation persists, contact a physician or poison control centre. If accidentally swallowed, contact a physician or call a poison control centre IMMEDIATELY. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically

DISPOSAL: When container is empty, press valve to release all remaining pressure. Dispose of empty with provincial requirements.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
