## **DIRECTIONS FOR USE**

To be used only in the manufacture (formulating, repackaging, repouring) of a pest control product solely for export from Canada.

## **LIMITATIONS**

Do not apply directly as is to crops.

## **PRECAUTIONS**

1. **KEEP OUT OF REACH OF CHILDREN AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.**
2. Harmful if swallowed.
3. Do not inhale vapours. Take note of wind direction. If you feel unwell, seek medical advice (show label where possible).
4. Causes severe skin and eye irritation. DO NOT get on skin or in eyes. Coveralls or a long sleeved shirt and long pants, chemical resistant gloves and eye protection/face shield should be worn when handling the concentrated product. Wear a NIOSH approved respirator equipped with a filter recommended for organic gases and vapours when used in poorly ventilated environments.
5. When using the product, do not eat, drink or smoke. Wash well after handling and before eating, drinking and/or smoking. Wash contaminated clothing with soap and hot water before re-use. Do not wear contaminated shoes.
6. Keep livestock and unprotected persons out of treated area for at least 24 hours.
7. Do not handle or apply close to water supplies providing drinking water.

## **FIRST AID**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

Treat symptomatically.

## **STORAGE**

Keep in original container during storage.

Store product in cool, dry, well ventilated place away from seed, fertilizer or other pesticides.

Keep away from fire or open flame or other sources of heat.

Keep free of moisture in tightly sealed container.

## **DECONTAMINATION AND DISPOSAL**

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand. Wash spill area with a detergent solution.

Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.

If involved in fire, use water, fog, foam, CO<sub>2</sub> or a dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of spill, and for clean-up of spills.

## **NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
