DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Strictly observe all precautions for handling and using pesticides. May be harmful if swallowed. May cause sensitization. Avoid contact with skin, eyes and clothing. Avoid breathing vapours. Wear protective clothing including, coveralls/apron, chemical resistant gloves, mask/face shield, goggles and boots when handling, mixing or loading this product. Use in well-ventilated area. Wash thoroughly with soap and water after handling product and before eating, drinking, or smoking. Wash contaminated clothing with soap and water and separate from other laundry before reuse.

ENVIRONMENTAL PRECAUTIONS:

Keep out of lakes, streams or ponds. Do not contaminate water by the cleaning of equipment or disposal of wastes.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING : Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

GENERAL: Seek medical attention immediately if irritation or signs of toxicity occur and persist or are severe. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Product contains tricosenes. Treatment symptomatic and supportive. No specific antidote known.

STORAGE:

Store upright in the original, tightly sealed container in a well ventilated room. Store in a cool, dry place away from food, feed or other pesticides. Keep out of reach of unauthorized persons. Protect from sun and humidity. Do not store near heat or open flame.

DECONTAMINATION AND DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted

product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
