Valent Canada Inc., 201-230 Hanlon Creek Blvd., Guelph, Ontario N1C 0A1, (519) 767-9262

DIRECTIONS FOR USE: To be used only in the manufacture of an insecticide which is registered under the *Pest Control Products Act*.

PRECAUTIONS

KEEP OUT OF THE REACH OF CHILDREN AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. This product is harmful if swallowed, inhaled, or absorbed through the skin. Avoid contact with eyes, skin or clothing. Do not breathe vapours or spray mist. Persons involved in pumping insecticide concentrate from drums and the mixing-loading process are cautioned to wear proper protective clothing such as rubber boots, rubber suit or apron, rubber gloves, respirator approved for protection against pesticides, goggles, and a cap or hat. If spilled on skin, wash immediately with soap and water. If clothing becomes contaminated, remove and wash clothing before reuse. Persons in contact with this product are cautioned to wash hands, arms, and face frequently with soap and water throughout the operation, after handling and certainly before eating or smoking. Do not contaminate food or feed. Do not store near feed or food products. Keep unauthorized and unprotected persons out of loading and mixing zones.

Combustible. Keep away from heat, sparks or open flame. Keep container closed when not in use. This product is very toxic to fish. Do not contaminate ponds, lakes, streams or rivers.

FIRST AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention. For information on this pesticide product (including health concerns, medical emergencies, pesticide concerns or incidents), call 1-888-740-8712.

ENVIRONMENTAL HAZARDS/PRECAUTIONS

TOXIC to aquatic organisms. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

TOXICOLOGICAL INFORMATION: Skin exposure may cause transient sensations (tingling, burning, itching, numbness). Treat symptomatically.

STORAGE: Store in sealed containers away from frost, direct sunlight and sources of heat and ignition. Store above 0°C. Store away from food and feed.

DISPOSAL: Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or provincial regulatory agency.
