IN CASE OF MEDICAL EMERGENCIES OR HEALTH AND SAFETY INQUIRIES, OR IN CASE OF FIRE, LEAKING, OR DAMAGED CONTAINERS, INFORMATION MAY BE OBTAINED BY CALLING 1-800-334-7577.

DIRECTIONS FOR USE: To be used only in the manufacture of a pesticide which is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND/OR PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Workers must wear long pants, long-sleeve shirts, boots, chemical resistant gloves, goggles and respirator when handling manufacturing product. Hazardous to humans and domestic animals. Corrosive. Causes eye damage. Harmful if swallowed or absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, or smoking. If product comes in contact with clothing, remove contaminated clothing, wash skin with soap and water, and dress in clean clothing. Launder clothing separate from other laundry.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor immediately for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Medical personnel should contact Bayer's Medical Information Services toll free 1-800-334-7577. Probable mucosal damage may contraindicate the use of gastric lavage. The treatment of intoxication should be symptomatic and supportive after decontamination.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, aquatic invertebrates, and marine/estuarine organisms.

STORAGE: DO NOT FREEZE. Keep away from fire, open flame or other sources of heat. Store away from water, food, or feed. Do not contaminate water, food or feed by storage or disposal. Store tightly sealed original container in a cool, dry area away from feeds, seeds, fertilizer, plants and foodstuffs. If stored for 1 year or longer, shake well before using.

DECONTAMINATION & DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
