DIRECTIONS FOR USE: To be used only in the manufacture of a herbicide that is registered under the PEST CONTROL PRODUCTS ACT.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN AND PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating and smoking. Wear long-sleeved shirt and long pants, socks, shoes and waterproof gloves. Do not contaminate water, food, or feed by storage and disposal.

ENVIRONMENTAL AND USE PRECAUTIONS:

Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans and public waters. Spilled material should be soaked up with absorbent material and disposed in approved manner. Do not discharge effluent containing this product to the sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your Provincial Regulatory Agency or the Manufacturer.

FIRST AID:

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically. There is no specific antidote. Supportive care is recommended. Treatment is based on the judgment of the physician in response to reactions of the patient.

STORAGE: Store in original container in secured dry storage area. Prevent cross-contamination with other pesticides and fertilizers. Do not store above 38° C (100°F) for extended periods of time. If container is damaged or spill occurs, use product immediately or dispose of product and damaged container as indicated below.

DISPOSAL: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
