## NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

## FIRST AID

**IN CASE OF POISONING**, contact a physician or a poison control centre **IMMEDIATELY**. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**If swallowed**, call a poison control centre or doctor **IMMEDIATELY** for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing**, take off contaminated clothing. Rinse skin **IMMEDIATELY** with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If in eyes**, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**If inhaled**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

## TOXICOLOGICAL INFORMATION

This product is a severe eye irritant and can be moderately irritating to skin and irritating to mucous membranes. Symptoms of overexposure to dicamba may include dizziness, muscle weakness, loss of appetite, weight loss, vomiting, decreased heart rate, shortness of breath, excitement, tenseness, depression, incontinence, cyanosis, muscle spasms, exhaustion and loss of voice. Treat symptomatically.

## PRECAUTIONS

### PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Strictly observe all precautions for handling and using pesticides. Avoid contact with skin, eyes and clothing. Wear protective goggles when handling.

## STORAGE:

Store in original containers in a well-ventilated, cool, dry, and secure area. Ship and store away from food, fertilizers feed or seed. Keep containers tightly closed. Thaw if frozen. Shake before use.

## **ENVIRONMENTAL HAZARDS**

TOXIC to aquatic organisms and non-target terrestrial plants. DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

## **STORAGE**

Store in original containers in a well-ventilated, cool, dry, and secure area. Ship and store away from food, fertilizers feed or seed. Keep containers tightly closed. Thaw if frozen. Shake before use.

## **DECONTAMINATION AND DISPOSAL**

Canadian formulators using this manufacturing concentrate should dispose of unwanted product and containers in accordance with municipal or provincial regulations. For additional details and information on the cleanup of spills, contact the Provincial Regulatory Authority and the manufacturer.

***IN CASE OF EMERGENCY INVOLVING A MAJOR SPILL, FIRE OR POISONING,  
CALL 1-800-327-8633 (FASTMED)***

## **DIRECTIONS FOR USE**

To be use only in the manufacture of a product which is registered under the PEST CONTROL PRODUCTS ACT.
