**DIRECTIONS FOR USE:**

For manufacturing use only. Formulators are responsible for their own registrations under the *Pest Control Products Act*.

**PRECAUTIONS:**

**FATAL IF SWALLOWED OR INHALED. CORROSIVE. CAUSES IRREVERSIBLE EYE DAMAGE AND SEVERE SKIN BURNS.**

Do not get in eyes, on skin or on clothing. Wear full-face protection, coveralls, chemical-resistant boots when handling the concentrate. Wash hands and face before eating, drinking, smoking and using the toilet. Change clothing daily. Wash contaminated clothing separately from household laundry.

**FIRST AID:**

**In on Skin or Clothing :** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**Inhalation:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**Ingestion:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

**ENVIRONMENTAL HAZARDS:**

Toxic to fish. Do not flush liquid wastes into streams or other surface water.

**PHYSICAL AND CHEMICAL HAZARDS:**

Do not use or store near heat or open flame. FMB 1210-8 is a cationic germicide. Do not mix with soap or anionic materials.

**DISPOSAL:**

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
