PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

PRECAUTIONS

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and wildlife. Keep out of lakes, ponds or streams. Do not apply directly to water. Do not contaminate any open water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

CAUTION

SEE SIDE PANEL FOR OTHER PRECAUTIONARY STATEMENTS

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes: Flush eyes IMMEDIATELY with plenty of clear water for at least 15 minutes. Immediately contact physician.

If on clothing: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

Toxicological Information: Treat Symptomatically

DIRECTIONS FOR USE

Bioban DXN-A (Brand of Dimethoxane) is a microbial growth inhibiting agent for manufacturing use only in industrial water-based products. Different water based products should be biologically tested for the optimum level of Bioban DXN-A caused by such variables as pH and emulsifiers.

For Emulsions (e.g. latex, PVA, silicone)

Bioban DXN-A should be used at a level of 0.1%-0.2% by weight of the system to be protected.

For Adhesives, Dyestuffs/Inks, Thickeners/Gums, Textile Auxiliaries

Bioban DXN-A should be used at a level of 0.1%-0.2% by weight of the system to be protected.

STORAGE

Keep container covered. Store in a dry, cool, well-ventilated area avoiding open flames or other source of ignition.

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do reuse empty container.

DISPOSAL

1. Triple or pressure rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use
4. Dispose of the empty container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product of spills, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

NOTICE TO USER

This control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
