LATER'S MULTI-PURPOSE HOME INSECT CONTROL

DIRECTIONS FOR USE: **Multi-Purpose Home Insect Control** is ready-to-use. Its special formula is nonstaining and has no conspicuous odour. Water, not petroleum distillate is used as the diluent.

SHAKE WELL BEFORE USING. Spray until surfaces or upper and lower leaves of plants are damp but not to the point of run-off. Repeat as necessary.

INDOOR PESTS: Spot treat for the control of Ants, Cockroaches, Silverfish, Spiders and Sowbugs. Apply to areas where these crawling pests may enter or hide such as along door sills and baseboards, in cracks and crevices in walls and floors, behind and beneath sinks and refrigerators, etc. Spot treatment for House Flies. Spray around windows and doors where House Flies alight. Do not use in food storage areas or on surfaces that may contact foods.

INDOOR PLANT PESTS: Controls Aphids and Whiteflies. Safe to use on most plants. Before treating delicate plants such as Coleus and African Violet, spray 1 or 2 leaves. If no effect is noticed after 2 days it is safe to treat the whole plant.

OUTDOOR PLANT PESTS: Controls Aphids, leaf eating Caterpillars, Thrips and Leafhoppers on ornamental plants. Do not use on fruits and vegetables. Spray when insects are first noticed and then as required.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Keep children and pets away from treated areas, at least until spray has dried. Do not use as a space spray. Avoid contamination of food, feed, cooking utensils or drinking water. Wash thoroughly before eating, drinking and smoking. Remove fish bowls and aquariums from the treated area.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not contaminate lakes, ponds, streams and domestic or irrigation water supplies. This product is very toxic to bees. Spray deposit should be dry before bees commence foraging.

FIRST AID:

IF SWALLOWED, call a poison control centre or doctor immediately for treatment advice.

Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Keep product in original container. Store in a cool, dry place away from food.

DISPOSAL: Do not reuse empty container. Wrap container and discard in household garbage.
