DIRECTIONS FOR USE: FOR CONTROL OF BACTERIA, FUNGI AND ALGAE IN
RECIRCULATING WATER SYSTEMS
FOR RECIRCULATING WATER SYSTEMS.
This product is intended for use in the following aquatic sites: Commercial/Industrial
Water Cooling Systems, Evaporative Condenser Water Systems, Heat Exchange
Water Systems, Industrial Scrubbing Systems, Industrial Auxiliary Water Systems,
Industrial Process Water, Industrial Disposal Systems.
Intermittent or slug method
Initial Dose: When the system is noticeably fouled, add this product at the rate of 18 to
90 grams per 1000 litres (0.15 to 0.75 pounds per 1000 gallons) in the system to achieve
1 – 5 ppm total residual halogen, measured as chlorine by a suitable test kit. Repeat
dosage until residual is achieved.
Subsequent Dose: When microbial control is evident, add this product at the rate of 3.6
to 18 grams per 1000 litres (0.03 to 0.15 pounds per 1000 gallons) in the system to
achieve 1 – 5 ppm total residual halogen, measured as chlorine by a suitable test kit.

Repeat periodically as needed to maintain control.

Continuous feed method

Initial Dose: When the system is noticeably fouled, add this product at the rate of 18 to 90 grams per 1000 litres (0.15 to 0.75 pounds per 1000 gallons) in the system to achieve 1 – 5 ppm by a suitable test kit. Repeat dosage until residual is achieved.

Subsequent Dose: When microbial control is evident, add this product at the rate of 3.6 to 18 grams per 1000 litres (0.03 to 0.15 pounds per 1000 gallons) in the system to achieve 1 – 5 ppm total residual halogen, measured as chlorine by a suitable test kit. Repeat periodically as needed to maintain control.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. **PRECAUTIONS**

~ Keep out of reach of children

~ Strong oxidizing agent. May cause fire or explosion if contaminated.

~ Dangerous gas formed when mixed with acid

~ Do not mix with any other chemical

~ Avoid contact with skin and eyes

~ Harmful if swallowed

~ Wear chemical resistant gloves, long pants, a long sleeved shirt, and shoes when handling this product.

~ Keep container closed and store in a cool dry location.

FIRST AID: In case of contact with skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. In case of contact with eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If swallowed, call a poison control centre or doctor immediately for treatment advice.

Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. **TOXICOLOGICAL**

INFORMATION: Treat symptomatically.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans, or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using the product.

DISPOSAL

1. Triple or pressure-rinse the emptied container. Add the rinsings to treatment site.

2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.

3. Make the empty container unsuitable for further use.

4. Dispose of the container in accordance with provincial requirements.

5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOT INTENDED FOR HOUSEHOLD USE OR RESALE
