BATCH NO:

**DIRECTIONS FOR USE:** For use in manufacturing, formulating or repackaging and to be used only in the manufacture of a product which is registered under the Pest Control Products Act. Formulators are responsible for their own registrations.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.**

CORROSIVE to the eyes and skin. DO NOT get in eyes, on skin or on clothing. Wear coveralls over long-sleeved shirt and long pants, goggles or a face shield, chemical resistant gloves, socks and chemical resistant footwear during mixing, loading, application clean-up and repair. Fatal or poisonous if swallowed. Avoid contamination of food. Keep from freezing.

**ENVIRONMENTAL PRECAUTIONS:**

**TOXIC** to aquatic organisms.

**DO NOT** discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock as well as oxygen and measures to support breathing manually or mechanically may be needed.
