**PRESSURE.** Do not place in hot water or near radiator, stoves or other sources of heat. Do not puncture or incinerate container or store at temperature over 50°C. Do not spray near open flame or spark, or while smoking. Do not contaminate food, utensils or any body of water. Avoid contact with eyes and mouth. Do not use on children under 12 years of age. **AVOID** contact with plastic and fabrics such as acetate rayon and dynel. May damage furniture finish, plastics and painted surfaces.

**FIRST AID:**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically. This product contains petroleum distillates. Vomiting may cause aspiration pneumonia.

**DISPOSAL:** When container is empty, press button to release all pressure, then dispose in household garbage.
