DIRECTIONS FOR USE: SHAKE WELL BEFORE USING. Apply with attached trigger sprayer. Adjust nozzle to suitable spray pattern.

SPIDERBAN® is an effective product to control spiders around the home.

DIRECTIONS: SPIDER CONTROL INDOORS: Apply as a spot treatment using a coarse spray on surfaces, along base boards and behind fixtures where spiders are a problem. Repeat if reinfestation occurs. Do not use as a space spray or broadcast application.

SPIDER CONTROL OUTDOORS: Apply as a coarse spray under eavestroughs, along siding, underneath porches or wherever spiders congregate. Treatment of the webs will improve the results.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Wash thoroughly after handling and before smoking or eating. Avoid contamination of food, feed, cooking utensils or drinking water. Remove pets and birds and cover fish aquarium before surface applications. After use and at least one (1) hour drying time, wash all surfaces that may contact food. Do not use on humans. Do not allow people or pets to contact treated areas until surfaces are dry. This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to lakes, rivers, streams, ponds, tidal marshes and estuaries. Do not contaminate the above mentioned aquatic areas through spray drift, cleaning of equipment or disposal of waste.

FIRST AID: If in eyes, rinse with clean water for 15 minutes. **If on skin,** wash off with soap and water. If irritation persists, seek medical attention. **If swallowed,** give patient 1 to 2 glasses of water and induce vomiting by inserting finger into mouth and touching the back of throat. Contact a doctor or poison control centre immediately. Never give anything by mouth to an unconscious person. Take container, label or product name and P.C.P. Registration Number with you when seeking medical attention.

DISPOSAL: Do not reuse empty container. Wrap empty container and discard in household garbage.
