DIRECTIONS FOR USE: Open package and remove single towelette. Immediately unfold Towelette and wipe a thin uniform film over all exposed skin. Apply sparingly not under clothing and only when necessary. Reapply after 6 hours if necessary. Repels mosquitoes for six hours. Also repels black flies, biting midges, deer flies, stable flies, ticks, chiggers. Use just enough repellent to cover exposed skin and clothing. For Ticks and Chiggers apply to shoe tops, socks and areas around openings in clothing. Do not use under clothing. Avoid over exposure. Frequent re-application is not necessary for the product to work effectively. After returning indoors wash treated skin & clothing with soap & water.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON CHILDREN UNDER 12 YEARS OF AGE. AVOID CONTACT WITH EYES AND MOUTH: Harmful if swallowed. For external use only. Use of this product may cause skin irritation in rare cases. Do not apply over cuts, wounds or irritated skin. Avoid contact with plastics such as eyeglass frames, lenses, fishing line and fabrics such as rayon, dnyel or spandex. Will not damage cotton, wool or nylon. May damage some paint or laquered surfaces. **FLAMMABLE:** Keep away from Fire, Sparks and Heat.

FIRST AID:

If irritation or other adverse effects develop, wash with soap and water immediately. Seek medical attention if symptoms persist.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse empty container. Dispose of used towelettes and dispenser container in household garbage.
