[Container - Secondary Panel (English)]

**ORTHO® BUG B GON® ECO
INSECTICIDE READY-TO-USE**

GENERAL INFORMATION:

Ortho® Bug B Gon® ECO Insecticide Ready-to-Use will control all stages of aphids, spider mites and whitefly, adult and nymph stages of thrips, mealybugs and scale insects on the following plants: indoor ornamental houseplants, and greenhouse ornamental plants such as fuchsia and roses.

DIRECTIONS FOR USE:

Shake well before each use.

DO NOT apply to houseplants grown for food or feed (e.g., herbs). **DO NOT** apply in commercial greenhouses. A fine mist is recommended to provide thorough coverage of all foliage, including upper and lower leaf surfaces, as well as stems where needed. **DO NOT** wet plants to the point of runoff or drip. Insects must be contacted by spray to be killed. To enhance effectiveness of this product, apply directly to the listed pests where possible. **DO NOT** exceed 55.6 mL per m² (1.6 mL per trigger pull). Treatment must only be repeated after 10 days if pest problem persists or reoccurs. If concerned about sensitivity of unlisted plants (e.g., delicate ferns), test spray a portion of the plant a few days before spraying larger areas.

DO NOT apply using stationary or handheld fogging or misting equipment. **DO NOT** apply as a space spray.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. May irritate skin and cause skin sensitization responses. Product may cause eye irritation and may aggravate pre-existing skin conditions. Flush affected area with plenty of water. Get medical attention if irritation persists. Avoid contact with eyes, skin and clothing. Use only in well ventilated areas.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

FIRST AID:

If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If on skin or clothing**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for

treatment advice. **If inhaled**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If in eyes**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

STORAGE:

Store this product away from food or feed.

DISPOSAL:

DO NOT reuse the empty containers. Dispose in household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.
