**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

**NATURE OF RESTRICTION:** This product is to be used only in the manner authorized: contact local pesticide regulatory authorities about the use permits that may be required.

### RESTRICTED USE

**DIRECTIONS:** When threatened by a bear place forefinger through hole in handle. Place thumb in front of orange safety clip and remove it by lifting up and back. Point nozzle directly towards bear's face. Depress actuator tab for a burst of spray to a maximum range of **8 METRES (26 FEET)**. Spray is most effective at short range. Avoid discharging upwind. Move away to avoid exposure to spray. Replace orange safety clip after use.

**USE LIMITATIONS:** "**STAY-AWAY BEAR DETERRENT™**" is designed to be used in wilderness applications to help defend individuals needing assistance when confronted by bears. This product is for spraying the face of aggressive bears only and is not to be used against domestic animals or human beings.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.** Capsaicin sprays have been proven effective in repelling bears only when sprayed directly in the eyes or on the nose. This product should be used only as a last resort. There is no guaranteed method of responding to a bear encounter, each encounter is unique. Strict attention to the advice of wildlife professionals on safety is advised. Severe irritation to eyes, nose, respiratory and skin areas can occur. Use only in outdoor areas. Persons with respiratory problems or wearing contact lenses should not use this product. Avoid contact with skin and eyes and avoid inhalation of spray.

**WHEN TRAVELLING DO NOT STORE IN PASSENGER COMPARTMENT.** Contact air carriers for regulations concerning air transport. Contents under pressure. Container may explode if heated. Do not place in hot water or near radiators, stoves or other sources of heat. Do not use in the presence of open flame or spark or while smoking. Do not leave in hot vehicle. For safety and performance, do not store above 50° C or below 0°C. Be careful not to puncture container. **DO NOT INCINERATE CONTAINER.** Use of this product for any purpose other than self defense against bear attacks is a criminal offense. Wash hands before touching eyes or face and prior to using the washroom. This product is for spraying the face of aggressive bears only and is not to be used against domestic animals or human beings. Capsaicin sprays will not repel bears from treated objects or areas. Do not spray objects (e.g., tents, clothing) or areas with this product.

**FIRST AID:** In case of external contact **REMAIN CALM.** Flush thoroughly with water. **DO NOT RUB.** Symptoms usually disappear within one hour. If symptoms persist, obtain medical attention or call a Poison Control Centre immediately. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Inhalation may aggravate or initiate asthmatic episodes. Pre-existing skin disorders may be aggravated by exposure to this material.

**DISPOSAL:** When the container is empty, press valve to release all pressure. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted products, contact your Provincial Regulatory Agency or the manufacturer. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.
