WARNING – EYE IRRITANT

TENDER CORPORATION
944 Industrial Park Road Littleton,
NH 03561 USA
1-800-258-4696

Net Contents 120 and 177 mL

DIRECTIONS:

Repels mosquitoes, black flies, stable flies, deer flies, biting midges, ticks and chiggers. Apply sparingly, not under clothing and only when necessary. Dispense small quantity into hands and apply over all exposed skin, avoiding contact with eyes and mouth. Do not spray in enclosed spaces. Wash hands after applying. Use just enough to cover exposed skin. Reapply after 6 hours if necessary.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. DO NOT use on children under 12 years of age.

Causes eye irritation. Avoid contact with eyes and mouth. Do not apply over cuts and wounds or sunburned skin or under clothing. Discontinue use if signs of irritation or rash appear. After returning indoors wash treated skin with soap and water.

May damage furniture finishes, plastic, painted surfaces, synthetic fabrics or leather.

Contents under pressure. Do not puncture or incinerate container. Do not use or store at temperatures over 50°C.

FIRST AID:

General: Stop using the product immediately and wash skin with soap and water if you experience skin reactions or any other adverse effects. Seek medical attention if symptoms persist. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat Symptomatically.

DISPOSAL:

Do not use empty container. Wrap in newspaper and dispose with household garbage.
