Raid Defence System

Helps you work smarter, not harder, to fight bugs.

Visit raid.ca to identify your bug and best treatment plan.

Tips:

Sweep behind washers and dryers often and rearrange furniture periodically to avoid spiders spinning webs in the same location.

Keep clothing, shoes and blankets off the floor so that spiders do not hide in them during the day.

Use yellow light bulbs outdoors to attract fewer insects, thereby discouraging spiders from spinning webs near your house.

Use THIS product to: Kill (Bugs) on Contact:

Use (Raid® Spider Blaster Bug Killer 5) (this product) (indoors) to kill spiders (in the nest) on contact.

Kills on contact: spiders, bed bugs, sowbugs, carpet beetles, centipedes, ants, silverfish. Insects must be hit by spray to be killed.

DIRECTIONS FOR INDOOR USE. Shake before using.

CRAWLING INSECTS: Must be hit by spray to be killed.

FLEAS: Spray infested area such as pet's bed and resting quarters.

BEDBUGS: Take beds apart. Spray frames, joints, mattresses (particularly tufts and seams), floorboards, mouldings and baseboards.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Cover fish bowls and remove pets for one hour when spraying rooms. Avoid inhalation. Cover food and food utensils. Do not spray directly on skin or pets. KEEP FROM FREEZING. CONTENTS UNDER PRESSURE. Do not puncture or incinerate container or store at temperatures over 50°C. Do not place in hot water or near radiators, stoves or other sources of heat.

FIRST AID: If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If in eyes,** hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If swallowed,** call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Contains petroleum distillates. Treat symptomatically.

DISPOSAL: When container is empty, press valve to release all remaining pressure. Wrap and discard empty container in household garbage.
