DIRECTIONS FOR USE: Apply gel sparingly on exposed skin, not under clothing and only when necessary. Reapply after 6 hours if necessary. **PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes and mouth. Do not use on children under 12 years of age. May cause skin irritation. Discontinue use if signs of irritation appear. Avoid contact with synthetic fabrics. May damage furniture finishes, plastics and painted surfaces. **FIRST AID:** If swallowed: Call a poison control centre or doctor immediately treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically. **DISPOSAL:** Do not reuse empty container; wrap and discard in household garbage.
