

PERACLEAN®

is for biofouling and slime control in:

- . Paper Mill Systems
- . Paper Coating Preservation

**FOR MANUFACTURING, FORMULATION
OR REPACKAGING**

Solution

GUARANTEE:

Peroxyacetic acid..... 15.0%

Hydrogen peroxide.....22.0%

DANGER

POISON

CORROSIVE

Corrosive to eyes and skin

READ THE LABEL BEFORE USING

REGISTRATION NO. 28826 PEST CONTROL PRODUCTS ACT

Net Contents: 18 – 1680 Kg

Evonik Degussa Canada Inc.
3380 South Service Rd.
P.O. Box 5057
Burlington, ON L7N 3J5 (905-319-4140)

DIRECTIONS FOR USE:

Biofouling control. To be used only in the manufacture formulation or repackaging of a biocide vehicle which is registered under the Pest Control Products Act.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Ensure that peroxyacetic acid and hydrogen peroxide air concentrations in the workplace do not exceed exposure levels established by Occupational Health and Safety Authorities in your jurisdiction (e.g. engineering controls, monitoring). If values exceed these levels, wear NIOSH approved respiratory protection.

DANGER

Corrosive. Causes eye and skin damage. Harmful or fatal if swallowed. May be harmful if absorbed through the skin. May be fatal if inhaled. Do not get in eyes on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling. Do not breathe vapor or spray mist. Do not enter an enclosed area without proper respiratory protection.

PHYSICAL OR CHEMICAL HAZARDS

Strong oxidizing agent. Mix only with water. Peraclean is not combustible; however at temperatures exceeding 69 deg C decomposition occurs releasing oxygen. The oxygen released could initiate or promote combustion of other materials.

FIRST AID

If Swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Probable mucosal damage may contraindicate the use of gastric lavage. Treat symptomatically.

STORAGE:

Never return Peraclean to the original container after it has been removed. Avoid all contaminants, especially dirt, caustic reducing agents and metals. Contamination and impurities will reduce shelf life. In case of decomposition isolate container, do use

container with cool water and dilute Peraclean with large volumes of water. Avoid damage to container. Keep container closed at all times when not in use. Keep container out of direct sunlight. To maintain product quality store at temperatures below 30 deg C. Do not store on wooden pallets.

PROCEDURE FOR LEAK OR SPILL

Stop leak if this can be done without risk. Shut off ignition sources; no flames, smoking flares or spark producing tools. Keep combustible and organic materials away. Flush spilled material with large quantities of water. Undiluted material should not enter confined spaces.

DISPOSAL:

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
