Date of Manufacture:

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide, which is registered under the *Pest Control Products Act*.

DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

FIRST AID:

If swallowed: Rinse mouth and throat with copious amounts of water. Do not induce vomiting. If on skin/clothing: Take off contaminated clothing. Wash with plenty of soap and water. If inhaled: Move to fresh air. If in eyes: Hold eye open and rinse slowly and gently with water. Remove contact lenses, if present, then continue rinsing eye. General: Seek medical attention immediately if irritation or signs of toxicity occur and persist or are severe. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE:

Store in original container. To preserve the live active ingredient, store at 4°C for up to one year from the date of manufacture or at 23°C for up to three weeks from the date of manufacture. Do not freeze.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Avoid contact with eyes, skin or clothing. Avoid inhaling/breathing dusts. Avoid contact with skin, eyes and clothing. When mixing wear protective eye wear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before re-use.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and the cleanup of spills, contact the provincial regulatory agency or the manufacturer.
