TENDER CORPORATION
944 Industrial Park Road
Littleton, NH 03561 USA
1-800-258-4696

Net Contents 10 - 500 mL

DIRECTIONS:

For protection from mosquitoes, black flies, stable flies, deer flies, biting midges, ticks and chiggers. Repels mosquitoes for up to 3 hours. Apply sparingly, not under clothing and only when necessary. **TO APPLY TO FACE:** Spray hands and apply, avoiding eyes and mouth. Wash hands after applying. Use just enough to cover exposed skin. Do not spray in enclosed spaces. Reapply after 3 hours if necessary

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Supervise applications on children. **DO NOT** use on infants under 6 months of age. For 6 month to 2 year old children, do not apply more than once a day. Not for daily use. Avoid application to children's hands. For 2 to 12 year old children, do not apply more than 3 times per day. **Causes eye irritation. DO NOT** get in eyes and avoid contact with mouth. Do not apply over cuts and wounds or sunburned skin or under clothing. Discontinue use if signs of irritation or rash appear. After returning indoors wash treated skin with soap and water. May damage furniture finishes, plastic, painted surfaces, synthetic fabrics or leather. Do not puncture or incinerate container. Do not use or store at temperatures over 50°C.

FIRST AID:

General: Stop using the product immediately and wash skin with soap and water if you experience skin reactions or any other adverse effects. Seek medical attention if symptoms persist. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and PCP Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat Symptomatically.

DISPOSAL: When container is empty, press valve to release all remaining pressure. Dispose of empty container with household garbage.
