**SCOTTS® ECOSENSE® MOSS B GON®
HERBICIDAL SOAP CONCENTRATE
MOSS & ALGAE KILLER**

PESTS/SITES

Use on moss and algae around and on buildings, roofs, decks, sidewalks, fences, bark mulch, driveways, patios and gravel.

- Non-staining
- Kills within hours
- Rainfast in 3 hours
- Leaves no harmful residue in the soil
- Works in cool weather.

DIRECTIONS FOR USE:

Shake well before using. Push tabs, twist cap to open. Spray moss and algae thoroughly as complete coverage is extremely important.

Application Directions:

Use with the Scotts Dial 'N Spray® Hose-End Sprayer or any standard hand-held or backpack sprayer.

Scotts Dial 'N Spray® Hose-End Sprayer*:

- Set the dial on the applicator to 55 and follow label directions.

Hand-held or backpack sprayers:

- Mix 55 mL of concentrate with 1L of water. Apply the mixed solution at 100-500 mL/m².
- Thoroughly clean equipment after use.

What to Expect:

- Plant damage will be visible from a few hours to 2 days after spraying.
- One application may control moss for up to one year.
- Repeat treatment if re-growth occurs.

Use Precautions:

- Avoid spraying desirable plants.
- Do not apply to moss or algae in lawns.
- Treated surfaces may be slippery when wet.

*The Scotts® Dial 'N Spray® Hose-End Sprayer is a hose-end sprayer with various settings. The dial setting is the number of mL of product being applied per litre of water. Please refer to the Scotts® Dial 'N Spray® Hose-End Sprayer label for complete use instructions.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Causes eye irritation. DO NOT get in eyes. Use only in well ventilated areas. For good hygiene practice, wear gloves when handling this product. Wear goggles or faceshield (protective eyewear) during mixing/handling of the concentrate. Avoid direct application to ponds, streams and lakes. DO NOT contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

DISPOSAL:

Do not reuse empty container. Dispose of empty container with household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.
