**DIRECTIONS FOR USE:** Shake well. Repels mosquitoes for 3 hours. Also repels black flies, biting midges, deer flies, stable flies, ticks and chiggers. Apply sparingly, not under clothing and only when necessary. Reapply after 3 hours if necessary. Spray foam into palms and spread evenly on exposed skin of legs, arms and face avoiding eyes and mouth. To apply to face: spray hand and apply avoiding eyes and mouth. Do not spray in enclosed spaces.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. CONTENTS UNDER PRESSURE. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50°C. Do not contaminate food, utensils or any body of water. Supervise application on children. Do not use on infants under 6 months of age. In 6 months to 2 years old, do not apply more than once a day. Not for daily use. Avoid application to hands. In 2-12 year olds, do not apply more than 3 times per day. Avoid contact with eyes and mouth, plastic and fabrics such as acetate rayon and Dynel. May damage furniture finish, plastics and painted surfaces.

**FIRST AID: IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If irritation or other adverse effects develop wash with soap and water immediately. Seek medical attention if symptoms persist. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If irritation or other adverse effects develop wash with soap and water immediately. Seek medical attention if symptoms persist. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**DISPOSAL:** When container is empty, press button to release all pressure, then dispose in household garbage.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
