24 HOUR EMERGENCY RESPONSE NUMBER 1-800-424-9300

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the *PEST CONTROL PRODUCTS ACT* or a fertilizer-pesticide registered under the *FERTILIZERS ACT*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful or fatal if swallowed. **Severely irritating to the eyes and skin. DO NOT get in eyes or skin.** Wear protective goggles and gloves when handling. Wash hands and exposed skin thoroughly after handling.

FIRST AID:

If Swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on Skin/Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you, when seeking medical attention.

TOXICOLOGICAL INFORMATION:

This product may cause severe irritation to the eyes. Overexposure to 2,4-D may cause coughing, burning, dizziness or temporary loss of muscle coordination. Other possible effects of overexposure include fatigue, muscle weakness or nausea. Treat symptomatically.

DISPOSAL:

Canadian manufacturers using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

SPILLAGE CLEANUP:

Keep bystanders away. Do not smoke, drink or eat during clean-up operations. Wear protective equipment (respirator, coveralls, rubber boots and protective gloves), and

absorb the liquid onto soil, sawdust or other suitable absorbent material and shovel into a drum. Add broken packages to the drum and seal for removal to an approved disposal site. Remove and wash all protective clothing and equipment. Shower and wash thoroughly with soap and water on completion of mopping up operation. For details on spill cleaning, contact the provincial regulatory agency and the manufacturer.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
