### Insect Repellent Towelettes - Children

**DIRECTIONS FOR USE:** Tear open packet and apply sparingly over exposed skin except eyes and mouth. Each towelette will cover a child's face and arms or equivalent areas. Do not apply under clothing and use only when necessary. Reapply after 3 hours if necessary.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.** Avoid contact with eyes and mouth. Do not use on infants under 6 months of age. In 6 months to 2 year olds do not apply more than once a day. Not for daily use. Avoid application to hands in 2-12 year olds and do not apply more than 3 times per day. Discontinue use if signs of irritation or rash appear. May damage furniture finishes, plastic, painted surfaces and synthetic fabrics.

#### FIRST AID:

If irritation or other adverse effects develop wash with soap and water immediately. Seek medical attention if symptoms persist

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**DISPOSAL:** Do not re-use. Put used towelette in original foil packet and dispose of in household garbage.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.
