**Ant and Spider Killer. Earwig Eliminator. Roach Destroyer. Flea and Tick Killer
Fly Mosquito Spot and Surface Treatment.**

FKTGEVQPUHQTWUG

SHAKE WELL BEFORE USE. HOLD CONTAINER UPRIGHT.
APPLY IN SHORT BURSTS

FOR USE IN AND AROUND THE HOUSE

FOR SPOT TREATMENT:

To Kill Ants, Carpet Beetles, Cockroaches, Crickets, Earwigs, Silverfish, Sowbugs and Spiders:

Spray areas where these pests are found or may hide, including dark corners or rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators, and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. For ants, apply to ant trails, also around doors and windows and wherever else these pests may find entrance. Repeat as necessary.

To Kill Brown Dog Ticks and Fleas:

Apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Old bedding should be removed and replaced with clean, fresh bedding after treatment. DO NOT SPRAY PETS WITH THIS PRODUCT. For effective flea and tick control, treatment of the pet must be combined with the cleanup and sanitation of any area used by the pet. Vacuum floors, carpets, furniture, etc. (discard vacuum bag after use) and wash the pet's bedding, living quarters, and surrounding area.

Flies and Mosquitoes: Use only out of doors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and door frames as well as other areas where these pests may enter the home. Also spray dark corners and localized resting areas (such as under eaves) or porches, patios and garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when necessary.

HQT'ETCEMCPF'ETGXIEG<

To Kill Ants, Brown Dog Ticks, Carpet Beetles, Cockroaches, Crickets, Earwigs, Fleas, Silverfish, Sowbugs and Spiders: Apply spray in small amounts directly into cracks and crevices. The pin-point pump setting should be used in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where the above insects hide.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes, skin and clothing. Harmful if swallowed. May cause eye or skin irritation. Do not inhale vapors. Wash well after handling and before eating, drinking and smoking. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated shoes.

FIRST AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically. Contains petroleum distillates.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. This product contains petroleum distillate which is moderately to highly toxic to aquatic organisms. Avoid contamination of aquatic systems during application. Do not contaminate these systems through direct application, disposal of waste or cleaning equipment.

DISPOSAL: Do not reuse empty container. Wrap empty container and discard in household garbage.

STORAGE: Store only in original container in a cool, dry place inaccessible to children, pets and domestic animals. Store above 0°C – Do Not Freeze.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
