**DIRECTIONS FOR USE:** For use only in the manufacture, of a pesticide which is registered under the Pest Control Products Act. Formulators are responsible for their own registrations.

**PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL**

**UNAUTHORIZED PERSONNEL.** Strong oxidizing agent. Use only clean, dry utensils. Contamination with moisture, dirt, organic matter or other chemicals (including other pool chemicals) or other foreign matter may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. Avoid any contact with flaming or burning material, such as a lighted cigarette. Keep product dry in tightly closed container when not in use. Harmful or fatal if swallowed.

May be fatal if inhaled. DO NOT breathe dust or vapours. Corrosive to eyes and severely irritating to skin. DO NOT get in eyes or on skin and clothing.

**FIRST AID:**

**IF SWALLOWED:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN:** Brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention. Take off contaminated clothing.

**IF IN EYES:** Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses after 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Remove person to fresh air. Get immediate medical attention. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Never give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**STORAGE:**

Store in a cool, dry, well-ventilated area away from heat or flame.

**DISPOSAL:**

Canadian manufacturers using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offense under the PEST CONTROL PRODUCTS ACT to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
