## **DIRECTIONS FOR USE**

To be used only in the manufacture of a pesticide which is registered under the *PEST CONTROL PRODUCTS ACT*.

## **PRECAUTIONS:**

- **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.**
- Avoid contact with skin, eyes and clothing.
- Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.
- Do not contaminate any body of water.

## **STORAGE:**

Store product in original container only, away from other pesticides, fertilizer, food or feed. Keep container closed. To prevent contamination store this product away from food or feed.

## **DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean-up of spills, contact the manufacturer or the provincial regulatory agency.

## **FIRST AID:**

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **IF SWALLOWED:**

Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
