For use as a spot or crack and crevice treatment to control insects listed on front panel.

GENERAL DIRECTIONS: Hold container approximately 30 cm (12”) from surface being sprayed and spray until wet. Thorough applications produce a coating which will vapourize into cracks and crevices for insect control. If reinfestation occurs, repeat applications as necessary. Provide adequate ventilation after indoor use. **KEEP PETS AND CHILDREN AWAY FROM SURFACE UNTIL DRY.**

INDOOR USE: Controls Spiders, Sowbugs, Earwigs, Cockroaches, Crickets, Millipedes, Silverfish, Ants, Fleas, Carpet Beetles, Brown Dog Ticks.

Thoroughly treat cracks, crevices and spots along and behind baseboards, underneath furniture and equipment, around garbage containers, localized areas of floors and floor coverings and other places where insects hide or are seen.

To kill Brown Dog Ticks and Fleas: Thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Old bedding should be removed and replaced with clean, fresh bedding after treatment. Do not spray pets with this product.

OUTDOOR USE: Spot Treatment: Spray outside surfaces of screens, doors, window frames, foundations, patios, light fixtures and other places where insects may alight, or congregate and enter. The cluster flies and house flies will be killed when they land on the treated surfaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with eyes, skin, or clothing. **DO NOT USE ON HUMANS, PLANTS, ANIMALS, FOOD STUFF, FOOD UTENSILS, FISHBOWLS OR ANIMAL FEED AREAS. DO NOT USE AS A SPACE SPRAY.** Do not use in areas where food is handled, prepared or stored. May cause skin and/or eye irritation. Product is very toxic to fish. Do not contaminate water by improper use or disposal. Contents under pressure. Do not place in hot water or near radiators, stove or other sources of heat, or store at temperatures over 50°C.

STORAGE: Store in a cool area away from heat or open flame.

FIRST AID: If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If inhaled, move person to fresh air. If person is not breathing, call 911 or an ambulance,

then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

DISPOSAL: When container is empty, press button to release all pressure, then wrap and dispose in household garbage. Do not puncture or incinerate.
