In case of spills, poisoning or fire, call telephone emergency response number 1-800-334-7577 (24 hours a day).

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

DIRECTIONS FOR USE:

To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Avoid contact with the skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. If product comes in contact with clothing, remove all contaminated clothing, wash skin with soap and water and dress in clean clothing. Launder applicator clothing separate from other laundry.

Formulators and other handlers must wear long sleeved shirt and long pants, shoes plus socks, and chemical-resistant gloves.

FIRST AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically. Medical Personnel should contact Bayer's Medical Information Services, Toll-Free: 1-800-334-7577.

ENVIRONMENTAL PRECAUTIONS:

TOXIC to birds. TOXIC to aquatic organisms.

Do not discharge effluent containing this product into areas where surface water is present, or to intertidal areas below the high water mark. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE:

Do not contaminate water, food, or feed by storage or disposal. Store in original container and keep tightly closed when not in use. Store in a cool dry place. Store away from feeds, seeds, fertilizer, plants and foodstuffs. Avoid cross contamination with other pesticides. In case of fire, leaking or damaged containers, call toll free 1-800-334-7577.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean-up of spills, contact the manufacturer and the provincial regulatory agency.
