### **DIRECTIONS FOR USE:**

To be used only in the manufacture of a pesticide which is registered under the *Pest Control Products Act*.

### **PRECAUTIONS:**

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful or fatal if swallowed. May be absorbed through skin. Avoid contact with eyes, skin and clothing. If contact occurs wash skin and clothing immediately with soap and warm water, and eyes with clean water. Avoid breathing and working in spray mist or dust. Wash hands and exposed skin before eating, drinking or smoking or handling. Wash all contaminated clothing thoroughly before reuse.

### **DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

### **FIRST AID:**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye(s). Call a poison control centre or doctor for treatment advice.

Take container, label or product name and the Pest Control Product Registration Number with you when seeking medical attention.

### **TOXICOLOGICAL INFORMATION:**

Treat symptomatically.

### **ENVIRONMENTAL HAZARDS:**

This product is toxic to fish and wildlife. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public water. Do not contaminate water by cleaning of equipment or disposal of waste.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes risk to persons or property that arises from any such use of this product.
