NOTICE TO USER

This pest control product is to be used only in accordance with the directions of this label. It is an offence under PEST CONTROL PRODUCTS ACT to use this product in a way that is inconsistent with the directions on the label.

FIRST AID

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye. Call a poison control centre or doctor for treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

No specific antidote is available. Apply symptomatic therapy.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Strictly observe all precautions for handling and using pesticides. Avoid contact with the skin, eyes and clothing. Avoid inhalation of dust. Do not eat, drink or smoke while working.

Do not contaminate food, feed or water supplies.

-Protective Equipment:

Heavy duty cotton or synthetic working clothes (e.g. coveralls). Rubber apron.
Heavy duty shoes or boots. Chemical restraint gloves. Goggles or face shield. In case of heavy duty exposure wear: Dust mask.

-During Work:

After contamination IMMEDIATELY wash skin with soap and water. Clean soiled clothing. Change contaminated clothing

-After Work:

Wash thoroughly (shower or bath, wash hair). Change clothing. Thoroughly clean protective gear. Thoroughly clean contaminated equipment with soap or soda solution.

ENVIRONMENTAL HAZARDS

- TOXIC to non-target terrestrial plants
- TOXIC to aquatic organisms

STORAGE

Store in original container in a well ventilated, cool dry and secure area. Ship and store away from food, feed or seed.

DECONTAMINATION AND DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean up of spills, contact the manufacturer and the provincial regulatory agency..

DIRECTIONS FOR USE

To be used only in manufacture of pesticide which is registered under the PEST CONTROL PRODUCTS ACT
