- Repels mosquitoes for 2 hours
- Wash whistle thoroughly before using
- CAUTION: Potential choking hazard if compass is removed from cap

**DIRECTIONS FOR USE:** Mosquito Shield Kids Formula Insect Repellent Pump Spray with Aloe Vera repels mosquitoes for 2 hours. Also repels black flies, biting midges, deer flies, stable flies, ticks and chiggers. Non-greasy. Won't stain. Apply sparingly, but not under clothing and only when necessary. Reapply after 2 hours if necessary. Hold container upright and spray clothing and exposed skin, except face. **TO APPLY TO FACE:** spray hands and apply avoiding eyes and mouth. Do not spray in enclosed spaces.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN. Do not contaminate food, utensils or any body of water. Supervise applications on children. Do not use on infants under 6 months of age. In 6 month to 2 year olds, do not apply more than once a day. Not for daily use. Avoid application to hands. In 2-12 year olds, DO NOT apply more than 3 times per day. Avoid contact with eyes and mouth, plastics and fabrics such as acetate, rayon and dynel. May damage furniture finish, plastics and painted surfaces. Keep away from open flame or sparks.

**FIRST AID:** If in eyes: hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** treat symptomatically.

**DISPOSAL:** do not re-use container. When container is empty, discard in household garbage.

**CAUTION:** potential choking hazard if compass is removed from cap.
