Secondary Display Panel

(Outer Label for Chipboard Container)

Use in confined areas such as porches, covered patios and other areas where there is little movement of air

DIRECTIONS FOR USE:

1. Remove coils from pouch. See instructions inside for separating coils.
2. Align coil with mounting stand. Press the slot of the coil into the metal stand provided
3. Light outer end of coil until glowing, then BLOW OUT ANY FLAME.
4. Place coils as required, at 2.5 - 3 m intervals (1 coil per 30 m³ of confined space). Each coil burns for up to 5 hours.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Caution children not to touch lit end. Do not place in direct contact with flammable objects, materials or surfaces. Avoid prolonged inhalation of smoke. Do not use indoors, in restaurants, in a tent or any enclosed area with little or no ventilation. Cover exposed food or feed to avoid contamination.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

.Take container, label or Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not re-use empty container. Dispose of empty container and stands in household garbage.

DOMESTIC

READ THE LABEL BEFORE USING

INSTRUCTIONS:

1. Use in semi-confined areas such as porches, covered patios and other areas where there is little movement of air.
2. Remove coil from pouch. Loosen outer rings until end moves freely. Grasp each COMMA shaped portion in the centre between thumb and forefinger of each hand. Separate the two COMMA shaped portions by gently pressing them in opposite directions 1/2 cm apart.
3. Bend the centre of the metal stand to upright position.
4. Insert the slot of the coil into the metal stand.
5. Light outer end of coil until glowing, then BLOW OUT ANY FLAME.
6. Place coils as required at 2.5 – 3 m intervals (1 coil per 30 m³ of confined space).
7. A broken piece may be used by inserting it into the open gap of the metal stand.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN.

1. Do not place in direct contact with flammable objects, materials or surfaces.
2. Avoid prolonged inhalation of smoke. Do not touch lit end.
3. Cover exposed food or feed to avoid contamination.
4. Do not use indoors.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.
