PRECAUTIONS

1. **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.**
2. Fatal or poisonous if swallowed. Do not take internally. Harmful if inhaled. Avoid inhaling/breathing dusts, sprays, etc.
3. Severely irritating to the eye and may irritate the skin. DO NOT get in eyes or on skin.
4. Wash thoroughly after handling and before eating, drinking or smoking.
5. If clothing becomes contaminated, remove and wash separately from household laundry before reuse.

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

The patient should be treated symptomatically. Contains petroleum distillate – vomiting may cause aspiration pneumonia.

STORAGE

1. Store in original tightly closed container. Protect from freezing.
2. Do not ship or store near food, feed, seed and fertilizers.
3. Store in cool, dry, locked, well-ventilated area without floor drain.
