DIRECTIONS FOR INDUSTRIAL USE:

2018-6295
2019-01-17

Preservation of adhesives - To prevent bacterial degradation of dry starch and synthetic latex adhesive formulations (after water is added by end-user), add 0.185% to 0.5% of Vancide MZ-98, by weight of total composition, during adhesive manufacture.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.

DANGER: CORROSIVE TO EYES - SKIN IRRITANT. Do not get on skin, in eyes or on clothing. Harmful if swallowed, inhaled or absorbed through skin. May be fatal if inhaled. Avoid inhalation of dust or spray mist. Wash contaminated clothing before reuse. Avoid alcohol. Do not contaminate water, food, or feed by storage, cleaning of equipment or disposal.

For emergencies involving a Spill, Leak, Fire, Exposure, or Accident, contact: CHEMTREC at (800) 424-9300.

For product usage information phone Taminco US LLC, toll free at 1-423-229-2000 from 9:00 AM to 5:00 PM Eastern time.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

CAUTION! - This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using this product.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Follow provincial instruction for any required additional cleaning of the container prior to

- its disposal.
3. Make the empty container unsuitable for further use.
 4. Dispose of the container in accordance with provincial requirements.
 5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
