DIRECTIONS FOR USE:

RETAIN PACKAGING INFORMATION FOR FUTURE REFERENCE
FOR USE OUTDOORS AROUND HOMES, APARTMENTS AND MOBILE HOMES.

ATTRACTS AND KILLS COMMON SWEET-EATING ANTS.

USING TERRO® OUTDOOR LIQUID ANT BAIT STAKES:

1. PLACE BAIT [STATIONS] [STAKES] outdoors close to where ants are found entering your home, or next to ant nests or their trails. Space bait stations 5 metres apart.
2. Insert TERRO® OUTDOOR LIQUID ANT BAIT STAKES into area to be treated by pushing firmly into the ground with your hand until [the bottom of the bait stake contacts the ground] [stake securely stands upright].
3. Keeping bait stake upright, hold firmly with one hand while [breaking] [cutting] off bait pack tab. KEEP TERRO OUTDOOR LIQUID ANT BAIT STAKES LEVEL TO AVOID SPILLING.
4. ANTS WILL ENTER the bait station through the hole created by removing the bait pack tab.
5. MONITOR regularly for activity, but do not interfere with the ants or baits. Replace baits if ants continue to be a problem. The entire colony is usually killed within two weeks.
6. CALL US at 1-800-800-1819 if we can be of assistance.

CONTROLLING ANTS: at first, ants will come to the bait in large numbers, but then will gradually disappear. TERRO® Outdoor Liquid Ant Bait Stakes allows worker ants to live long enough to carry the bait back to the colony. The entire colony is usually killed within two weeks. The key to obtaining control is to monitor the placements and ensure there is always a fresh supply of TERRO® Outdoor Liquid Ant Bait Stakes at each placement.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid contamination of food, water and kitchen utensils. Wash after use. Apply/use only in areas inaccessible to children and pets.

FIRST AID: If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Store this product away from food or feed.

DISPOSAL: Do not reuse empty container. Wrap in newspaper and dispose of empty container in household garbage.
