(SECONDARY PANEL)

Western Family (logo)

Western Family™ Clumping Cat Litter for Multiple Cats in Small Areas is created from a blend of Canadian clays. Western Family™ Clumping Cat Litter for Multiple Cats in Small Areas clumps on contact with waste. Western Family™ Clumping Cat Litter for Multiple Cats in Small Areas contains a moisture-activated scenting for an extra fresh scent as the litter box is used. Western Family™ Clumping Cat Litter for Multiple Cats in Small Areas formula controls the growth of odour causing bacteria and resists microbial odour development in the litter.

PRECAUTIONS:

Pregnant or nursing women and people with a suppressed immune system should note that a parasite found in cat feces can cause toxoplasmosis. They should exercise caution and consult a physician before handling a litter box. Always wash hands thoroughly after preparing or cleaning the litter box. For further information, consult your local public health office.

DIRECTIONS FOR USE:

1. Fill a clean, dry litter box with approximately 6 - 8 cm (2 - 3 inches) of Western Family™ Clumping Cat Litter for Multiple Cats in Small Areas.
2. Western Family™ Clumping Cat Litter for Multiple Cats in Small Areas forms solid clumps on contact with cat waste. Scoop out waste clumps daily with a slotted scoop.
3. Add additional Western Family™ Clumping Cat Litter for Multiple Cats in Small Areas to maintain litter depth of approximately 6-8 cm (2-3 inches) or as required to keep litter box comfortably full.
4. Completely empty and wash litter box once a month.

DISPOSAL:

Dispose of pet waste or used and unused cat litter in accordance with local regulations.

WARNING:

Do not flush cat litter in toilets or dispose of it outdoors in gutters or storm drains, or any other waste water system. Do not use this product as a traction aid. It becomes slippery when wet. Keep the litter away from food preparation.

TOXICOLOGICAL INFORMATION:

Treat Symptomatically.

CONTENTS:

Ground Clay, Moisture-Activated Scenting Agent, Baking Soda

Store litter package in a dry place.
